

TULIP BUD BUDGET BREAKDOWN

Priority	Element	Allocation	Recommended by most sites
1	Reception and Venue <i>Our guests love to eat, so food is definitely our top-most priority. It has to be good and plentiful.</i>	74%	33%
2	Photography <i>Our wedding photos will be the only element that will last us a lifetime so this tops our list.</i>	9%	9%
3	Ceremony and Venue <i>We want to get married and party in a beautiful setting.</i>	5%	3%
4	Entertainment (DJ) <i>To us, our wedding is a party! So we want professionals who can entertain our guests well and liven up the party.</i>	3%	10%
5	Stationery, Favors and Gifts <i>Though it is a little high on our list, it won't cost us much. Most will be DIY.</i>	1%	4%
6	Flowers, Décor and Rentals <i>This is why venue is at the top of our list. If the venue is beautiful enough, only minimal décor is necessary.</i>	2%	10%
7	Cake <i>I love cake, but it's not in our high priority list because not a lot of our guests love cake and I probably wouldn't be able to eat much anyway.</i>	1%	Included in reception
8	Attire and Beauty <i>I refuse to pay more than \$500 for a dress I'll only wear once.</i>	4%	11%
9	Others	1%	8%
9	Transportation <i>Another reason why I chose to have the ceremony and reception in one place. Guests wouldn't have to worry about getting to the reception after the ceremony.</i>	0%	5%
9	Videography <i>This is one thing we can let go to save on wedding cost. We'd rather sit and look at an album than look for a player to play a video. I look horrible in videos anyway :P.</i>	0%	7%
9	Wedding Planner <i>It is a convenience we cannot afford.</i>	0%
